

# TIME TO MARKET SAVINGS with ICScolor

Are you too busy to save time and money? Let us show you what's possible!

**The more revisions, the more you save!**

## With **RemoteDirector**

-  **Proof arrives in minutes, not days**
-  **Latest version is available to multiple approvers at the same time**
-  **The approved file can be downloaded instantly by the printer**
-  **Saves time and money in sending and re-sending hard proofs after each edit**
-  **Comments and edits are stored and visible by the entire team, reducing errors and revisions**
-  **More sustainable than traveling or shipping proofs around the globe**
